February, 2010

Dear Fellow MHS Alumnus,

We are pleased to inform you that thanks to many generous donations, seven graduating Seniors received a scholarship from the Margaretta Alumni Association in 2009, with total donations exceeding \$3000. This created special excitement among the graduates, and gave our association the opportunity to acknowledge the importance of the start we all received through the academic and extra-curricular programs at Margaretta High School.

In an effort to continue to support our graduates, we are once asking that you consider donating to our MHS Alumni Association Scholarship Fund. There is little need to stress the high cost of secondary education, and the students freely show their appreciation when they stand in their green and white to be acknowledged as recipients of your generosity.

We hope that you will consider the benefits of helping MHS graduates get a positive start and make a contribution.

Donations can be forwarded to the Margaretta Alumni Association in care of Rhonda Rice at P.O. Box 29, Castalia, OH, 44824. Also, if you would care to serve on the selection committee for the scholarships recipients, please note on the donation form and the committee will be happy to include you in the selection process.

Thank you for your consideration and support.
Go Bears!

Sincerely,
The Margaretta Alumni Association
Scholarship Committee
